### DETAILED ACTION

1. The reply filed on September 10, 2003, is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's reply fails to distinctly and specifically point out the supposed errors in the Examiner's action with regard to the rejections of claims 1 and 4 under 35 U.S.C. §102(a), (e). Specifically, on page 26, in paragraph 1, Applicant indicates intent to traverse these rejections. However, in the subsequent portions of Applicant's reply, no distinct or specific arguments are presented to traverse the aforementioned rejections. Applicant must reply to every ground of objection and rejection in the prior Office action. The reply must present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
